

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are dedicated to offering top quality and new design concepts in order to meet the diverse needs of their clients.

TREK Cleaning Machines always offers fresh design ideas as shown in their product development. They enjoy offering products that energize both their dealers and their partners and offer production gains to their clients.

The team at TREK likes tackling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and requirements together with their understanding of cleaning applications, together with owners' strong desire to dramatically lower expense through productivity gains.

The personnel at TREK and their dealer-partners are really devoted to having both technical support and parts obtainable when it is required. Their high service devotion is among the core values in their customer service. Keeping their clients' cleaning machines ready and working on a daily basis is top priority. The company's top of the line technology delivers reliable machine which ultimately lessens your cost of cleaning. The price, the service and the product all work together in order to make them an industry leader.
