

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Offering products, solutions and services in order to increase the productivity and to ensure efficiency within commercial, residential and industrial environments, Ingersoll Rand is very proud provider of products which help enhance the security, health, safety and comfort of individuals all over the globe.

The Climate Solutions sector delivers a world-class product line of energy efficient HVACR solutions for clients. Thermo King is the leader in transport temperature control, while Hussmann is a maker of food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building services, parts support and advanced controls utilized for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand offers solutions and products to be able to improve productivity, operations and energy efficiency for their customers. The series of products in their line comprise: pumps and tools, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in golf and utility vehicles designed for companies and people.

Well-known trade names such as Trane and Schlage compromise the Residential Solutions business, providing efficiency, comfort and safety to home owners all around North America. Some of their innovative quality products include mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

The sector comprising Security Technologies offers products that ensure safe, productive and secure surroundings. This division's market leading products comprise floor and door closers, portable security devices, exit devices, biometric and electronic cabinet hardware, access control systems, steel doors and frames and locks, locksets and decorative hardware. Schlage also has products which provide attendance, personal and time scheduling systems.
